Subject: Proposal for diversion of 5.8535 Ha Forest area (2.9592 Ha in Solapur Forest Division and 2.8943 Ha in Osmanabad Forest Division) for proposed Greenfield Railway line between Solapur -Tuljapur-Osmanabad (Total Length of 84.439 Km) passing through Solapur and Osmanabad districts in the State of Maharashtra.

Reg: Submission of Hard copy of Forest Diversion Proposal.

Respected Sir,

In absence of direct rail connection between Solapur-Tuljapur-Osmanabad, at present the travel mode through railway from Solapur to Osmanabad is via Kurduwadi which is 153 km long. Accordingly, a new broad-gauge railway line proposed from Solapur-Tuljapur-Osmanabad will shorten this distance by 69 km. This new proposed line would be passing through the district of Solapur & Osmanabad, administrative districts in the Marathwada region of the State of Maharashtra in India. Central Railway (CR), Bhusawal Division (Construction) is the implementing agency for this project.

The newly proposed greenfield Railway alignment starting at Solapur town, North Solapur Taluka in Solapur District to Shingoli village, Osmanabad Taluka in Osmanabad District of Maharashtra State for length of 84.439 km. It passes through Khed, Mardi, Tamalwadi, Malumbra,

Raikhed, Tuljapur, Wadgaon, Sanjha and other important towns in North Solapur, Tuljapur and Osmanabad Talukas.

A portion of the proposed alignment passes through **5.8535 Ha** Forest area (2.9592 Ha in Solapur Forest Division and 2.8943 Ha in Osmanabad Forest Division) and therefore involves diversion of this forest land under Forest Conservation Act, 1980 for non-forestry purpose. In compliance to the provisions of the above Act, an application seeking diversion of this Forest land in "Part- I of Form - A" as prescribed under procedure had been uploaded on MoEF Parivesh Portal bearing Proposal No. **FP/MH/RAIL/155198/2022**. In continuation to the same, we are hereby submitting hard copies of the proposal pertaining to Solapur Forest Division for your kind acknowledgement and onward necessary actions.

Thanking You,
