Sir/Madam,

Sub: Laying Optical Fibre Cable along the National Highways / State Highways road - Periakombai to Perappancholai road section along the path way upto Jio Mobile Communication Tower location near Puthupallapatti village across Perumalmalai R.F. for a distance of 85 mt (0.003 Ha.) of Namakkal Forest Division, Namakkal District - Clearance to be obtained from the Forest Department under Forest (Conservation) Act, 1980 - Submission of online proposal - Regarding.

Ref: Jio Digital Fibre Private Limited, Chennai Online Proposal No.FP/TN/OFC/147853/2021, dt. 30.09.2021.

-----

We, M/s. Jio Digital Fibre Private Limited indents to carry out laying of Optical Fibre Cable and mobile communication towers to improve communication with 4G facility at National Level. This proposal is for laying of OFC cable from Periakombai to Perappancholai road section along the pathway upto Jio Mobile Communication Tower erected near Puthupallapatti village in Perumalai R.F. forest area of Namakkal Forest Division, Namakkal District. For laying of OFC along road side of Highways Department, we have to obtain clearance from Highways Department and Forest Department.

As per the advice of Forest Department, we furnished forest clearance proposal through online in the web portal of [www.parivesh.nic.in](http://www.parivesh.nic.in) and proposal is assigned as FP/TN/OFC/147853/2021, dated 30.09.2021. A copy of the proposal furnished through online is furnished herewith.

Laying of OFC through this forest area is an important step for the better connectivity of 4G network in this region. There is no possibility of laying OFC except the forest areas proposed, because the forest areas are continuous stretch and this road section passes through the forest areas as admitted right of way.
