To,

The Principal Chief Conservator of Forests  
FCA & CC  
Government of Manipur.

Subject : Submission of Hard copy (4 nos.) for the proposal - "Earth quarrying at  
22A-Tangjeng Village" of Thoubal District.

Sir,

I have the honour to state the following few lines for your kind consideration. That I made an online application for the Forest Clearance of an earth quarry at Lipokpi Leikai, 22A-Tangjeng village by submitting bearing proposal No. **FP/MN/QRV/29356/2017**. As per mandatory, an approved mining plan is submitting herewith (4 copies - 1 original and 3 photocopy) for further process. There is no earth quarry in Manipur till date to meet the urgent needs for various works like flood protection, highway constructions etc.

I, therefore request you to kindly proceed for forest clearance as early as possible. I shall be highly grateful for your kind consideration. With regards.

Yours faithfully,

**KK WORKS**
