Sub: Regarding FRA-2006 Certificate.

Respected Sir,

With reference to the above Our field S.No.136 & 135 are in between Forest S.No.143 Vil:Lothda Tal/Dist.-Rajkot. we Want to developed our Land to Industrial and Residential Purpose for that We require Transmission Line & Construct Road. Our area is in between of forest land so for the Overhead transmission line & Road is Crossing forest Land. There is a Reserved forest land in between route, hence it is necessary to permit the forest land to cross Reserved forest land. No other route is possible. Thus the proposal of diversion of Reserved forest land is justified well.

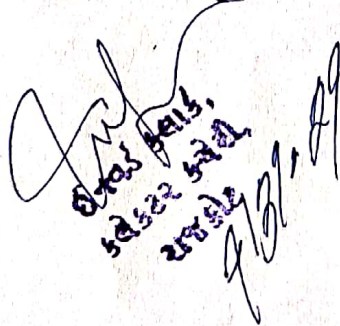

Sir, we have applied to the Forest Department for obtaining permission regarding Forest Land, but they were asking for a FRA Certificate as per rule FRA 2006, Which States that in this Route(Diagram Attached) No Tribal Caste interest is involved.

Sir, we want to make it clear that path taken is not disturbing the tribal.

Hence you are Kindly requested to issue a NOC regarding the same, so that we could comply with Forest Department rules.

The all Documents is attached for your reference.

Thanking You
