

Himachal Pradesh
I&PH Department

No:- IPH-RMP-WA-FCA/2015-

7526

Dated:- 30-9-15

To

The Divisional Forest Officer,
Rampur, Shimla Distt.(HP).

Subject: -

Diversion of 0.04 h of fest land for construction of AE.
Office-cum-Residence at IPH Sub-Division, Taklech in
the jurisdiction of Rampur Forest Division.

Ref.:-

Your office letter No. 3445 Dated 21-9-2015.

With reference to your office letter referred as above,
the point wise reply of the information as desired by the Govt. of India is as
under:-

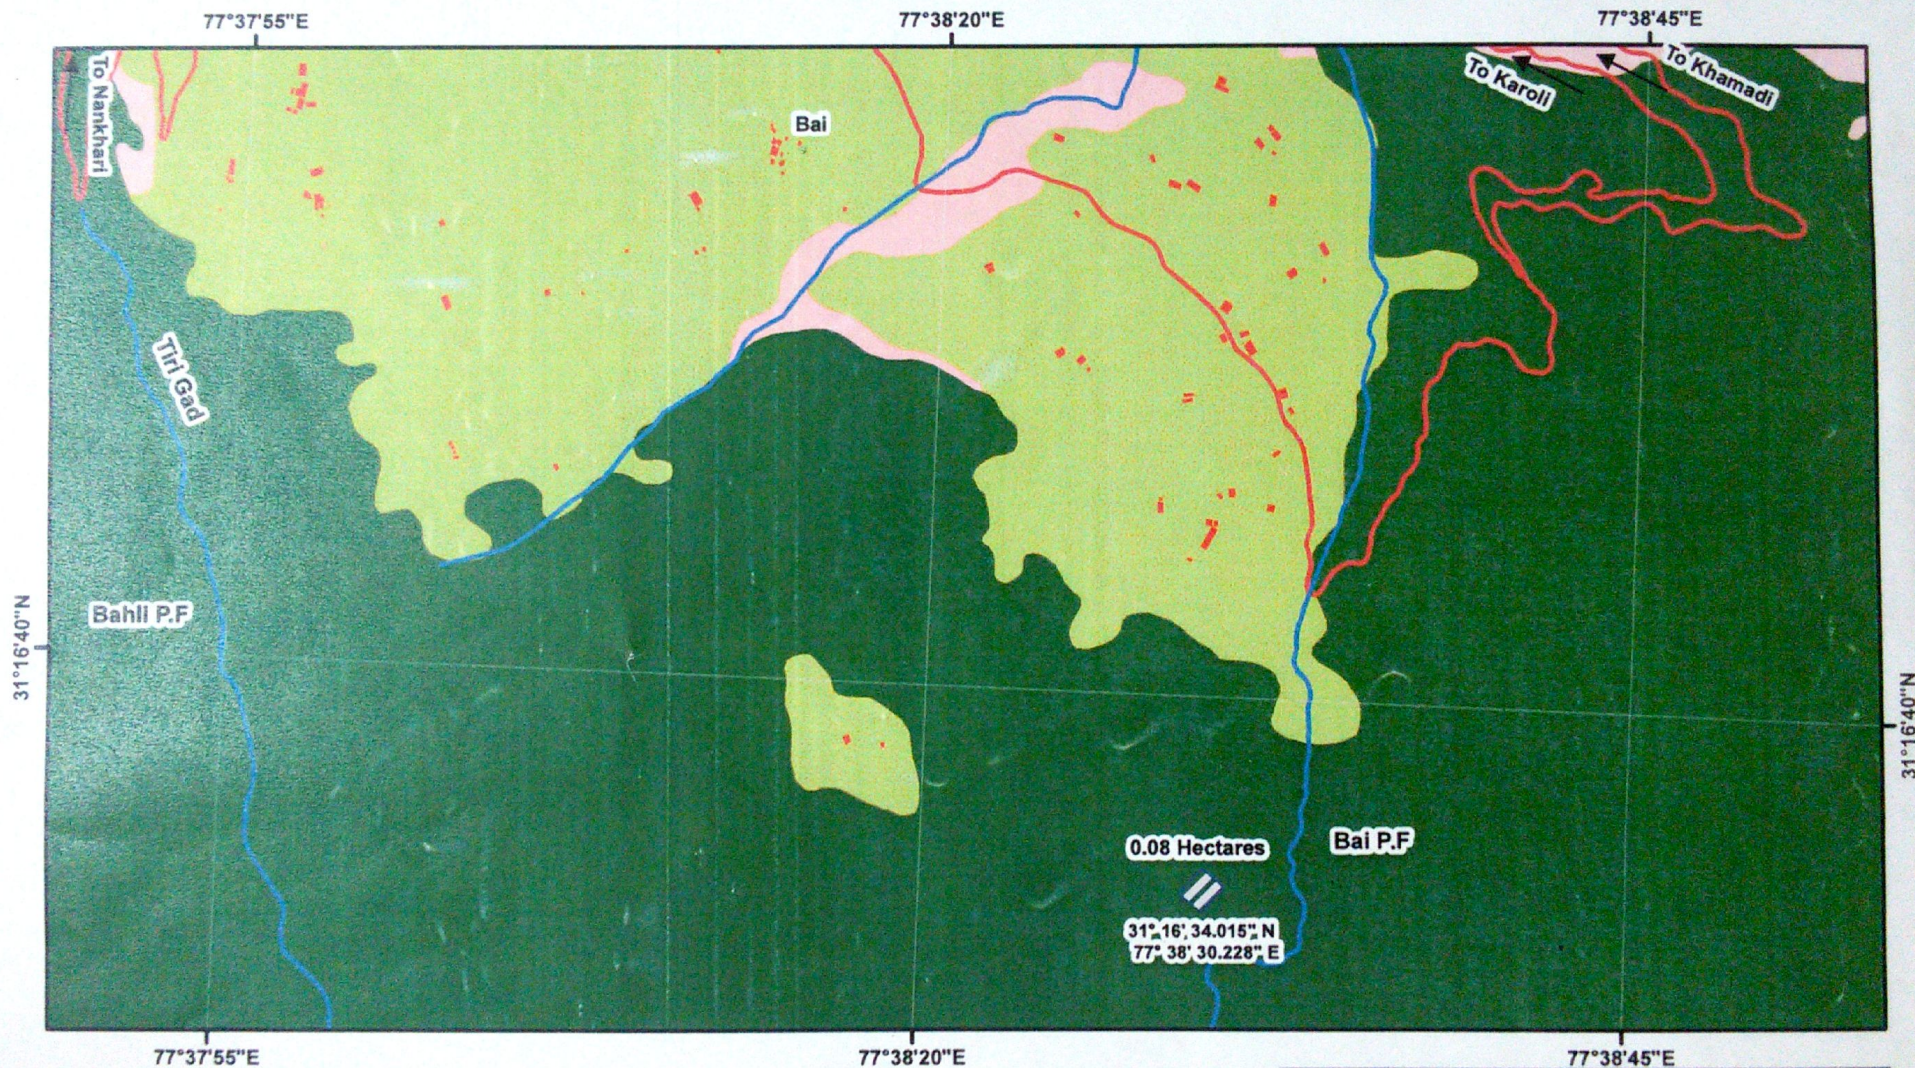

1. The Digital map of the area proposed for diversion indicating geo coordinates on map has already been appended with the proposal at page number 14.
2. FRA certificate has already been appended with the proposal at page number 24.
3. Needful has been done at page No.6.
4. Since the area proposed for diversion is to be developed by adopting partially in cutting and partially in filling method the cross section for muck disposal plan has already been appended with the proposal at page number 65.
5. The new digital map of the CA bank showing coordinates of 0.08 ha has been prepared and appended herewith.

In the proposal submitted for diversion of 0.08 ha of forest land the layout plan of level 2 floor was attached inadvertently. However the proposal submitted for diversion of the forest land is for construction of Sub Divisional office building at level 1 floor and to avoid diversion of extra land for residence purpose it has been proposed to construct residence at level 2 floor. Moreover as per norms minimum area required for sub divisional level office building is, as shown in the drawing appended and cannot be reduced. The forest land is to be used mainly for the construction of office of the AE/SDO IPH.
