

Extension of Bagoli Koti Motor Road in district Chamoli (2.219 ha)

Following shortcomings still remain in the online reply dated 27.09.2016 of the State Govt to the EDS dated 03.08.2016 of this office which may be attended by the State Govt.:-

1. In reply to this office EDS dated 03.08.2016 the KML file and geo-referenced digital map for the area proposed for CA has been uploaded at L Part-I online, showing the correct extent of the area but the Decision Support System (DSS) Analysis shows that 1.00 ha area falls in Moderately Dense Forest (MDF) which is not considered suitable for CA. May replace 1.00 ha area of MDF with some other area suitable for CA. Revised digital map and Sol topohseet map may also be uploaded/provided accordingly.
2. The detail of non-forest land proposed for the project may be filled in online Part-I Column-B 2.4.
