Now the proposal has been returned with a following comments,

- i. In query (v), it was asked that “as per detail provided in the Part-I, the total project area has been indicated as 820.70 ha. while the same is mentioned as 1140.59 ha in the deliberation of REC dated 14.10.2022. Exact position in this regard may be informed.”

The State Government in their reply have informed that the total project land acquired for the project as per the requirement is 1152.66 ha. Further the State Government have mentioned the details of the said land in the same reply that total land area is mentioned as 327.41 ha.

This is not found to be in conformity with the total project area mentioned in part-I of the proposal. Clarity in the above matter is required.

- ii. In query (vi), it was asked to assess the efficacy of the Wildlife Management Plan of Rs. 20 lakhs, as recommended by the State, in term of holistic impact of the mining activity on the surrounding flora and fauna. The state Government has not provided a copy of the same.

It requested to clarify the lands involved and submit the proposal with clarity and an SCN for further needful.

In view of the above, I am directed to request the State Government to submit information on the shortcomings, as indicated above, to this Ministry for further consideration of the proposal for approval under the Forest (Conservation) Act, 1980.

This issues with the approval of DDGF (Central), Regional Office, MoEF&CC, Nagpur.

Yours faithfully,
