2. MoM of 31st REC dt. 10/10/2018.

Sir,

Kind reference to above mention subject and reference, I am directed to inform you the reply submitted vide letter dt. 28/09/2019 (Ref:1) shows ambiguity specifically the compartment 252 having gross area 124.5 is not uploaded on e.portal and selected area doe CA still shows MDF.

Thus, it is requested to submit the information in accordance to Agenda no. 7, MoM of 31st REC dt. 10/10/2018 i.e. "The proposed CA is in 8 (eight) patches totaling to 437.93 ha. as per DSS analysis, the 155 ha is MDF out of total CA land. So, revised CA land (map & CA scheme) details in open forest with C.D < 0.4 as per the latest FSI report shall be submitted and uploaded on e.portal."

The State Govt. is requested to demarcate 437.93 ha area (having density less than 0.4) and the KML file of the same should be uploaded so that the CA plantation could be monitored accordingly in future. .
