Sir,

In reference to your above mentioned letter where approval for above referred forest land diversion proposal was sought; I have been directed to convey following shortcomings of the proposal for necessary rectification:

1. Information at A-3 (xvii) (uploaded online) is incomplete as the signature of person making application on behalf of user agency has not been authenticated. The hard copy contains a signed paper but the same is Xerox copy.
2. (a) Kml files of proposed forest land are not provided in CD.  
(b) The shape of kml file of proposed forest land on Google earth and geo referenced map do not match with each other.  
(c) Kml file opened on Google earth shows a shift.
3. Due to lack of dimensions on lay out plan correctness of area calculation cannot be ascertained.
4. The certificate under Forest (Rights) Act 2006 issued from DM Moradabad does not mention regarding rights of pre agricultural communities.
5. Compensatory afforestation scheme is not as per provisions contained in chapter 3 of FCA Handbook 2004 and needs revision.
6. Correct part III & part V shall be uploaded with the proposal.

Therefore, the proposal is hereby placed under EDS category for rectification/revision of the same as per the observations made above in point wise manner.

Encl: As mentioned above.

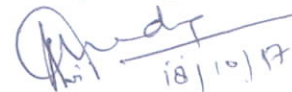

Yours faithfully,
