

Diversion of 2.7013 ha of forest land in favour of Directorate of Higher Education, Lalpani Shimla, HP, for the construction of Govt Degree College Dehra, distt Kangra, HP, within the jurisdiction of Dehra Forest Division, Distt Kangra, HP.

The following shortcomings have been noticed in the proposal, which may be completed:

- Against column No.4(ii), in online part-II, the scientific names of all the trees have not been mentioned in online part-II as well as in hard copy of the folder. In online part-II, for the trees involved 'Others' has been mentioned. If the scientific name of all the trees involved is not appearing in the module, the scientific names of the trees should be mentioned within brackets against the column of local name of the trees. Further large number of trees is involved in the proposed proposal. Over 2.7013 ha of forest land 232 trees are standing. Necessary efforts should be made to reduce the number of trees. It is also required to be intimated whether all the trees involved in the proposal are to be felled? Govt does not consider the proposals having huge number of trees. The enumeration lists and abstract in one of the proposal folder have not been signed by DFO concerned. Signed copies are required to be supplied.
- Although, CA scheme uploaded and placed in the proposal folder is on current wage rates but the nursery cost has not been levied in the CA scheme. Revised CA scheme on current wage rates with nursery cost is required to be uploaded and placed in the proposal folder.
