In reply to this office EDS dated 11/10/2017, which has been uploaded online on 12/10/2017, the print of layout plan uploaded in the additional document is not clearly visible and a clear copy is required to be uploaded. Perusal of the components given in layout plan shows that there is discrepancy in the components shown in the layout plan compare to the components mentioned in the revised component wise breakup now uploaded at B 2.4 Part-I online. One component of future expansion shown in the layout plan is required to be deleted and component of 'open area for landscaping' which is mentioned in the component wise breakup but not marked in the layout plan is required to be shown in the layout plan. State Government may upload revised layout plan after making these correction and deleting the existing layout plan online. Hard copy of the same may also be provided for record.
