2. From the perusal of the reply sent vide above quoted reference it has been observed that the concerned dealing hand dealt the reply in very casual manners and observations have not been addressed properly. As a result this office is bound to raise observations again and again which also delay the reply to GoI and this delay cause delisting of proposals from PARIVESH 2.0. It is also brought to your notice that few proposals are also showing pending in the PARIVESH 2.0 portal at your end which needs to be addressed promptly. The shortcoming again noticed are as under:-

1. The wrong observation has been mentioned under Sr. No. 3 of the reply.
2. No correction regarding legal status of DA has been found done in the portal. The legal status of DA mentioned in Part-II Para-2 is still mismatching with the Part-II under Sr. No. 5.
3. The approved and proposed project has not been marked in distinct colors in KML file.
