

**Dadua to Sirola Wava Mayali Patakhhal Motor Road (1.1375 ha)**

On scrutiny of the proposal following shortcomings are found which may be attended by the State Government:

1. In village wise breakup given at para B 2.3 Part-I online, the total of the area against all the villages falling in forest land doesn't come to 1.1375 ha.
2. The authority letter in favour of Sri Bhagwati Prasad Nautiyal, EE to file the application may be uploaded at A-3 (xvii) Part-I online.
3. In the FRA certificate provided in hard copy no date is mentioned and the date of the meeting is not mentioned in the District Level Committee meeting proceedings provided in the hard copy as well as uploaded online at K Part-I. Further, five villages are mentioned having forest land in the village wise breakup at para-2.3 Part-I online whereas, village level committee meeting proceedings under FRA have been submitted for village Dadua only.
4. Details of employment likely to be generated during construction of this project given at para-E Part-I online appears incorrect, may be reviewed.
5. Hard copy submitted is containing photocopies of the document and not the original ones. Hard copy of the proposal containing original or attested photocopies of all the documents may be submitted. Important documents like, FRA certificate, Digital maps, CA scheme, land schedule etc. are required to be provided in original.
6. CA area is not marked in the SoI toposheet map uploaded at para-13 of Part-II online.
