Sir,

In continuation of this office letter of even no. dated 21.10.2019, in the REC meeting held on 30.09.2019 the committee observed that the practice of submission of reply by the State Government during the REC meeting should be discontinued with immediate effect, as it forbids scrutiny/analysis of submission by the technical experts of Regional Office besides wastage of time of REC in its scrutiny/analysis.

It has been further advised by the committee that the proposals which are complete in all respect, should be placed before the REC in the meeting. In case, EDS has been sought, the reply must reach the Regional Office atleast three working days before the date of REC meeting.

In view of the above, it is requested that the reply of observations raised vide this office letter of even no. dated 21. 10.2019 must reach in this office by the 02.11.2019.

Yours faithfully,

(S D Sharma)
