

**Bohala-Nandigaon Motor road in District Bageshwar (1.442 ha)**

Following shortcomings still remain in the online reply dated 12.09.2017 of the State Govt to EDS dated 03.02.2017 of this office which may be attended by the State Govt.:-

1. In reply to point No.1 of EDS dated 12464, though it is mentioned that the new KML file is prepared and necessary corrections has be shown for proposed area 2.884 ha and uploaded at para- L of Part-I, but it is seen that the area still overlaps with the CA area proposed for the online proposal No. FP/UK/ROAD/10903/2015 and FP/UK/ROAD/10143/2015. This discrepancy may be resolved and revised KML file of CA area, scanned copy of geo-referenced digital map, SoI toposheet map and suitability certificate of revised CA area may be uploaded accordingly. Original hard copy of the digital map of revised CA area and other documents may also be provided.
