Cum-Nodal Officer ( Forest Conservation )  
Aranya Bhawan, Patna

Subj: Submission of proposal of forest clearance for additional land falling in forest jurisdiction under PHDPL-Aug project in the District Banka.

Respected Sir,

Indian oil corporation limited (IOCL), a Government of India Undertaking is engaged in Petroleum Refining, Marketing and Transportation of crude and petroleum products through cross country pipeline throughout the length and breadth of the country. Cross country pipelines are globally recognised as the most safest, cost effective and environmently friendly mode of transportation.

### Background

2<sup>nd</sup> stage Forest clearance for PHDPL-Augmentation project in the state of Bihar was obtained vide letter no FP/BR/Others/20097/2016/2342 Dated 28.06.2018. Pipeline under Banka Forest Divison was also included in this approval. 2<sup>nd</sup> stage forest clearance is enclosed.

### Present Proposal

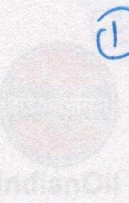

During execution of Pipeline laying, it is found that some additional forest land is falling enroute of pipeline for which online application has been submitted vide application FP/BR/Pipeline/40615/2019 dated 11.06.2019. It may be noted that these plots couldnot be identified during joint site inspection by both IOCL & Forest in the year 2016.

Further we would like to mention that the plots for which online forest application dated 11.06.2019 have been made are private lands in the records of Govt. of Bihar & land owners are producing land documents claiming plots belong to them. M/s IOCL have paid compensation for acquiring Right of Use as per P& MP act. However fresh online applications have been made for said plots.

Respected Sir,

Indian Oil Corporation Limited (IOCL) a Government of India Undertaking is engaged in Petroleum Refining, Marketing and Transportation of crude and petroleum products through pressurized pipeline throughout the length and breadth of the country. Cross country pipelines are globally recognized as the most efficient, cost effective and environmentally friendly mode of transportation.

Background

1<sup>st</sup> stage forest clearance for PHDPL-Aug project in the state of Bihar was obtained vide letter no. F/33/Other/2017/28/01241 Dated 28.06.2018. Quarter under Banka Forest Division was also included in the approval. 1<sup>st</sup> stage forest clearance is enclosed.

Forest Clearance

During circulation of Pipeline laying, it is found that some additional forest land is falling enroute of pipeline for which online application has been submitted vide application F/33/PHDPL/46615/2019 dated 11.06.2019. It may be noted that these plots cannot be identified during joint site inspection by both IOCL & Forest in the year 2018.

Further we would like to mention that the plots for which online forest application dated 11.06.2019 have been made are private lands in the records of Govt of Bihar & land owners are producing land documents showing plots belong to them. M/s IOCL have paid compensation for acquiring Right of Use as per P&M act. However, fresh online applications have made for said plots.
