

6.6997 ha Forest Land in favour of HPPWD for c/o Bag-Kayalu road (km 0/00 to 10/500 km) within jurisdiction of Kotgarh and Shimla Forest Divisions

Following shortcomings may be attended by the State Government:

1. In the Cost Benefit analysis submitted with the reply information in column 1 of both performa VI b and VI c needs to be quantified in monetary terms. Cost Benefit ratio may also be worked out.
2. Legal status of forest area proposed for diversion may be uploaded for Shimla forest division under Sl. No. 2 in Part II.
3. Correct data may be uploaded at Sl. No. 3 in Part II.
4. In DSS analysis, it is found that a part of area proposed for CA (in patch of 1.5 ha) is overlapping with CA area already proposed in proposal no. FP/HP/Road/13910/2015 and FP/HP/Road/7784/2014.
Hence needful correction may be done.

-----RO, Dehradun-----

Endst. No. 9833 Dated 22-10-2016

Copy is forwarded to DFO Shimla for information & immediate necessary action.
