To

The Wildlife Warden,
Hosur Forest Division,
Hosur.

Sub : Forest (Conservation) Act 1980 - Proposal for diversion of 1.52 Ha of land classified as "Un-assessed waste - Forest Range Land" in SF.No.954-956, 959-965, 970-972, 977, 978 of Ayaranapalli Village, Soolagiri Taluk, Krishnagiri District for the formation of road from Rayakottai – Kelamangalam road to TATA Electronic Company Km 0/00 to 0/812 – Online submission of proposal – Defects pointed out - Regarding.

Ref : Part II of Form A uploaded online in PARIVESH web Portal by the Wildlife Warden on 08-01-2022.

It is informed that, according to the proposal the area required for diversion is 1.52 Ha and CA land is 3.04 Ha in Hosur Division. However on verification of the KML file it is found that the area uploaded in the web portal for diversion of land is 1.589 Ha and CA land is 3.157 Ha. Thus the difference in area uploaded in the web portal is (+) 0.069 Ha and (+) 0.117 Ha. Therefore the Wildlife Warden is requested to instruct the user agency to upload the KML file to the correct area of 1.52 Ha and CA Land is 3.04 Ha.

It is seen that there are two polygons for area to be diverted and area proposed for CA land are marked in the KML files. This should be described.

The Wildlife Warden is also requested to report whether the area proposed for diversion of 1.52 Ha is falls within the Eco-Sensitive Zone or outside the Eco-Sensitive Zone of Cauvery North Wildlife Sanctuary. A report to this

effect should be submitted immediately to enable this office to forward the proposal to the Principal Chief Conservator of Forest's without delay.
