Sub: **Diversion of 0.339 ha of forest land for Re-alignment of 220 kv KPTL & 132 kv SCTL for the four lanning of National highway 44 between Ramban-Banihal Section, under forest division and District Ramban, U.T. of Jammu & Kashmir - reg.**

Reg: **i) Online proposal bearing on FP/JK/TRANS/143878/2021 received on dated 21.10.2021**

Sir,

Kindly refer to the online proposal of Government of Jammu & Kashmir on the above-mentioned subject seeking prior approval of the Central Government for diversion of **0.339** ha of forest land for non-forestry purpose in accordance with section-2 of the Forest (Conservation) Act, 1980.

2. During examination of the above-mentioned proposal of the Govt of J&K, there exist some ambiguities and hence the following information/clarification are required to be submitted for processing:

- i. Complete details of erstwhile approved proposal (15.0318 Ha) to be submitted including the details of trees proposed for felling in that proposal.
 - ii. In the justification of the extant proposal it is mentioned that trees on already diverted land are to be cut which were overlooked earlier by the field staff, whereas, elsewhere it is highlighted that 0.339 Ha forest land needs to be diverted towards realigning of transmission towers coming in way of NH-44 widening. Clarification solicited.
3. The information requested above may be submitted within 30 days from the date of issuance of this letter failing which the proposal shall be liable to be rejected.

Yours Sincerely,

Sd/-
