Sir,

Sub : Proposal for forest clearance for the "Construction of Twin Tunnel (2+2 lane) with four lane approaches (from existing roads) for providing direct connectivity between Anakkampoyil-Kalladi-Meppadi in Kozhikode and Wayanad Districts of Kerala State - Reg

Ref : 1. That office No. D4/230/2014/Tunnel (2) dated 2.11.2021  
2. Proposal No. FP/KL/ROAD/148616/2021

Your attention is invited to the reference cited. During the site inspection of the proposed Anakkampoyil-Kalladi-Meppadi Tunnel Road Project held on 17.11.2021, it is seen that a major bridge along the Maripuzha River is included in the proposal of tunnel road. Since the construction of bridge will take long time, the Site Engineer was asking for a temporary bridge to be constructed along the river. For this also it require forest clearance, since there is tree cutting, Hence you are directed to include the portion of temporary bridge also and resubmit the proposal after incorporating necessary modifications in this regard.

Yours faithfully

Divisional Forest Officer.
