Memo;

Please refer to your office Memo No. FC-BIL-H032/6/2023-SALE and MISC- dated 30-10-2024 on the subject cited above.

2. From the perusal of the Memo under reference, it reveals that the proposal is not scrutinized proposedly as per the check list and shortcomings noticed in this office, the proposal is to be scrutinized as per the guidelines and rules into the matter and submitted accordingly. However, the following shortcomings has still not attended which may be attended in all respect:-

1. The documents as uploaded online Part-I against additional information detail are still not arranged as per the check list due to this, all documents are not able to scrutinized same may be reviewed and uploaded accordingly.
2. The LoI as uploaded in Part-I is not valid. Further, the KML file in column C(ii) (a) is found missing and instead of uploading the digital map of project copy of google map has been found uploaded. The revenue papers of the proposed area is uploaded but the field book has not uploaded.
3. The Employment detail in column E(iii) is not correct further, page No. 18 of Mining Plan is tempered and not readable.
4. The KML file in M2 (vii) as uploaded in Part-I is overlapping with field hence, the same may be clarified/ rectified moreover, if the area is encroached, then action may be taken and detailed report be submitted. Further, as per the Mining Plan, 1 KM road is required but neither has been mentioned in this regard in the online Part-I nor same has been marked in KML file, if the road is to be constructed in private land same may be mentioned in online Part-I and KML file and gift deeds of the land owners may also be supplied.
5. The detail of estimated reserve in M5-2 and M7 are still not correct as per the mining plan. Further, the user agency may confirm that the proposed mining conforms to the DSR of the concerned districts issued by Competent Authority.
6. The KML file of the CA area reveals that most of the area is proposed on Moderate Dense Forests to Dense Forests hence, the area may be revised,

further the CA scheme is prepared for mixed for normal and tall plants and an amount of 12022910/- has come out for 16.3 ha. which does not seem justified please recheck the CA scheme and make necessary correction. Further, NPV bill is still not prepared on current rates.

7. The documents as mentioned uploaded in reply to point No. 7-10 of this office memo dated 13.12.2023 was not found uploaded please specify the Sr. No. of the same while uploading the requisite documents.

Please ensure the proper scrutiny the proposal before submitting to this office.
