

Essential Details Sought (EDS).

Online Proposal No. FP/JK/Water/123462/2021

- (i) Person making application has authorized himself to apply. Authorization has to be from a higher officer.
- (ii) Figures of permanent and temporary employment generation at Form A Part I S.No. E need to be re-checked. The column is for prospective employment generation.
- (iii) Project has been shown to be located in a scheduled Area (Part I, S.No. J). Clarification on applicability of special provisions governing scheduled Area is required to be provided.
- iv) As per Chapter 3, Handbook of FCA & FC Rules (2019), exemption from paying NPV is limited to over-head tank , village tank & laying of underground drinking water pipeline upto 4”diameter. Proposed project also involves construction of allied structures like Chemical shed, Filtration plant etc. Therefore, applicability of exemption clause needs to be re-checked and accordingly, NPV calculated.
- (v) Proposal is silent on disposal of muck generated due to construction activity, and its disposal.
