Sir,

With reference to the subject and letter cited above, I am directed to inform that letter under reference above has been examined in this office. It is observed that the cumulative impact study has been prepared for individual impact single mine without taking the cumulative impact at landscape level of all the mines. Moreover, it is requested that some mitigative measures in view of the identified impacts may be given so that those measures may be taken up at a later stage.

State Govt is requested to submit the same at the earliest.

भवदीय,
