EDS on Proposal No.FP/HP/Others/102505/2020 Dated Shimla-1,the

11 NOV 2021

Diversion of 0.9889 ha of forest land in favour of Department of Tourism for the construction of Helipad at Shawala, tehsil Nerwa district Shimla , within the jurisdiction of Chopal Forest Division, Distt Shimla, HP

The following shortcomings have been noticed in the proposal, which may please be completed:

1. As per tree species standing over the forest land proposed for diversion, the eco class of the forest land should be eco class-V. But against column No.4(i), the eco class of the forest land, eco class-VI has been mentioned and the bill of NPV has also been calculated for eco class-VI instead of eco class-V. Revised bill of NPV is required to be placed/uploaded in the proposal folder and also required to be uploaded in online part-II.
2. Approval of the proposed project has not been found uploaded in online part-I and placed in the proposal folder.
