

Construction of Kuloli Munra Devikhal Motor Road (3.22 ha)

Following shortcomings still remain in the online reply dated 17.11.2016 of the State Govt to EDS dated 10.10.2016 of this office which may be attended by the State Govt.:-

1. The geo-referenced map submitted/uploaded for the area proposed for diversion at para-C (iv) and for the area proposed for CA at para-L (v) Part-I online are not signed by any competent authority.
2. In reply to point No.-7 of the EDS, it is stated by the DFO that the area is found suitable for CA after field visit but the competent authority at State Level has not given any comments. This is required to be confirmed by the competent authority at State level.
3. In reply to point No.-3 of EDS, instead of providing Village Level Committee (VLC) meeting proceedings for all the 5 villages mentioned in the village wise breakup at para-B 2.3 Part-I online, names of other 3 villages have been added in the title of the proceedings of the meeting of villages Barliya & Dahala which is not proper. May provide separate VLC meeting proceedings for the remaining 3 villages namely Bangidhar, Ragargar & Bhayari.
4. May provide original copy with the revised documents uploaded with this reply i.e. CA scheme, digital map of proposed road & CA and VLC meeting proceedings of the villages.
