

Following shortcomings still remain in the point wise reply to the points raised in EDS dated on **REC 27-07-2018** of this office.

1- Employment generation data, it is seen that temporary employment of 350 man days and permanent employment of 0 numbers is shown at SR No. E online. It does not appear to be correct.

(i) permanent should be 0(Zero).

(ii) temporary employment should be

= total worker X total working of days =?

filled temporary employment seems incorrect, please rectify accordingly.

2- DFO may upload correct land scheduled at Column 13 as additional information in form A, part II as well as submitted in hard copy.
