4. Administrative Approval / Financial Sanction of the competent authority of the User department for construction of this project uploaded is not clear. May upload clear and legible scanned copy of the same.
5. Original hard copy of Part- IV & V is not submitted, which may be submitted.
6. At para- 4 (i) Part-II online, Eco Class is shown as eco Class-V but from the enumeration list of trees it appears as eco class-III, hence State Government may review and submit the relevant document, if revised (such as NPV calculation sheet).
