कार्यालय प्रधान मुख्य वन संरक्षक (कक्ष-भू प्रबंध), वन भवन, मध्यप्रदेश, भोपाल

सी-ब्लॉक, द्वितीय तल, लिंक रोड नं.-2, तुलसी नगर, भोपाल-462003 क्रमांक/एफ-3/52/2018/10-11/15/5513 भोपाल, दिनांक 29 12 2023 प्रति,

वनमंडलाधिकारी, सामान्य वन मण्डल, शिवपुरी, मध्यप्रदेश।

विषय:-जिला शिवपुरी के अंतर्गत सनघटा (ऐर) उद्वहन सिंचाई परियोजना के निर्माण हेतु 349.00 हेक्टेयर वनभूमि जल संसाधन विभाग को उपयोग पर देने बाबत्।

संदर्भः—भारत सरकार, पर्यावरण वन एवं जलवायु परिवर्तन मंत्रालय, इंदिरा पर्यावरण भवन, अलीगंज, जोरबाग रोड़, नई दिल्ली का पत्र क्र. 8-01/2022-FC दि. 26.12.2023

भारत सरकार के उपरोक्त संदर्भित पत्र (छायाप्रति संलग्न) का अवलोकन करें। विषयांकित प्रकरण मे भारत सरकार द्वारा संदर्भित पत्र से अतिरिक्त निम्न बिन्दुओं की जानकारी चाही गई है :--

1. The State Govt. has not submitted the approved copy of R&R plan.

2. The State Govt. has now informed that a Hose tank is proposed to be constructed, however the area details of Hose Tank have not been mentioned in the component wise breakup on the PARIVESH portal.

3. The KML file of Canals proposed in the instant proposal and passing through the NonForest land

have not been uploaded in polygon form.

4. The State Govt. has now proposed to increase the Degraded forest land (DFL) area for accommodating the additional seedlings of Compensatory Afforestation from 127.306 ha proposed earlier to 226.624 ha. However, complete KML file along with maps of the same have not been uploaded on PARIVESH.

5. The NPV rates of Open forest has been taken into consideration while carrying out costbenefit analysis of the present proposal instead of Dense Forest because the proposed area is having 0.5 density. Therefore, the State Govt. shall submit the Cost-Benefit analysis as per NPV rates

prescribed for dense forest.

6. The State Govt. has now informed that the DFO in his site inspection report has mentioned the canopy density as 0.1 to 0.5, however even for a density of 0.1- 0.5, the 3204 number of trees appear to be on lower side for a such large area proposed for diversion. In this regard, as asked in the previous communication, the State Government is again requested to verify the total numbers of the trees getting affected.

अतः प्रकरण में भारत सरकार द्वारा चाहे अनुसार जानकारियां तैयार करते हुए हार्डकापी 02 प्रतियों

मे इस कार्यालय को प्रस्तुत करें। संलग्नः-उपरोक्तानुसार।

## Government of India Ministry of Environment, Forest and Climate Change (Forest Conservation Division)

Indira Paryavaran Bhawan, Jor Bag Road, Aliganj, New Delhi – 110003 Dated: December, 2023

To,

The Principal Secretary (Forests), Government of Madhya Pradesh, Bhopal.

Subject: Diversion of 349.00 ha forest land for the construction of Sangatha (AER) Medium Irrigation Project by the Water Resources Division under Shivpuri District of Madhya Pradesh State (Online No. FP/MP/IRRIG/32935/2018) - regarding.

Madam/Sir,

I am directed to refer to the letter no. F-3/52/2018/10-11/15/3121 dated 23.11.2023 of APCCF (LM) and Nodal Officer, FCA, 1980, Government of Madhya Pradesh on the above mentioned subject and to inform that after careful examination of the said information the following shortcomings have been observed:

- i. The State Govt. has not submitted the approved copy of R&R plan.
- ii. The State Govt. has now informed that a Hose tank is proposed to be constructed, however the area details of Hose Tank have not been mentioned in the component wise breakup on the PARIVESH portal.
- iii. The KML file of Canals proposed in the instant proposal and passing through the Non-Forest land have not been uploaded in polygon form.
- iv. The State Govt. has now proposed to increase the Degraded forest land (DFL) area for accommodating the additional seedlings of Compensatory Afforestation from 127.306 ha proposed earlier to 226.624 ha. However, complete KML file along with maps of the same have not been uploaded on PARIVESH.
- v. The NPV rates of Open forest has been taken into consideration while carrying out costbenefit analysis of the present proposal instead of Dense Forest because the proposed area is having 0.5 density. Therefore, the State Govt. shall submit the Cost-Benefit analysis as per NPV rates prescribed for dense forest.
- vi. The State Govt. has now informed that the DFO in his site inspection report has mentioned the canopy density as 0.1 to 0.5, however even for a density of 0.1- 0.5, the 3204 number of trees appear to be on lower side for a such large area proposed for diversion. In this regard, as asked in the previous communication, the State Government is again requested to verify the total numbers of the trees getting affected.

Accordingly, it is requested to furnish the above mentioned information to this Ministry for further consideration of the proposal.

Yours sincerely,

Signed by Suneet Bhardwaj
