2. In reply to point No.4, administrative Approval and Financial Sanction for construction of this road provided is issued in the year 2006-07. May clarify whether it has been revalidated for the year 2017-18.
3. In reply to point No. 6, shape of proposed alignment given in geo-referenced digital map at column C (iv) Part-I online is not matching with the shape of proposed alignment given in KML file uploaded online at column-C (ii) Part-I.
4. State Govt. may provide hard copy of the proposal folder containing all original or attested copies of the documents. However, the FRA certificate and the geo-referenced digital maps of proposed road and CA should be in original.
