Memo No. 237 /1F(Project) 22 / 2017 Dated 19.01.2017

To.

The Divisional Forest Officer
Malkangiri Forest Division,

Sub: Proposal for diversion of 18.5 ha forest area for Construction of 220 KV transmission line from Balimela to Malkangiri by OPTCL in Malkangiri Forest Division. (**State SI. No. OR 070 / 2016 dt 20.08.2016**)
Proposal No. FP/OR/ TRANS/ 20912 / 2016.

Ref: Your Memo No.4469/ 4F (Misc) dt 30.12.2016

On scrutiny of the diversion proposal, it is noticed that the density of vegetation of project site has been reported as 0.2 in Part-II of the application as well as in your site inspection report conducted on 05.10.2016. On the other hand, you have reported in your site inspection report that the project site comes under Moderately Dense Forest. Both the observations are contradictory.

Hence, you are requested to furnish clarification in the matter and do the needful submitting the factual report to this office for taking further action.

Regional Chief Conservator of Forests
Koraput Circle, Koraput
