

**Following shortcomings may be attended:-**

1. Total period for which proposed forest land to be diverted is wrongly mentioned in Part-I.
2. Short Narrative of Project still does not give any information about the Project.
3. User agency may review Temporart employment generation details at section E in FormA, part I.
4. Justification has been not authenticated by DFO. please upload justification authenticated by DFO at para- D (i) in form A, part I.
5. Please remove Cost benefit analysis detail at section G in Form A, Part I.
