Sir,

With reference to the subject and letter cited above, I am to inform you that the additional information submitted by State Government vide letter dated 09.01.2020 has been examined and it is observed that the information furnished appears to be incomplete. In this regard, the State Govt is requested to submit the following information for further processing of the proposal.

- (i) The correct KML/Shape file for proposed diversion area, as there is a difference in the area. As per the DSS software report it is calculated as 2.2484 ha whereas the area proposed for diversion is 2.0518 ha in the proposal submitted.
- (ii) The GPS Co-ordinates for proposed diversion site and compensatory afforestation site.
- (iii) The recent photographs of the proposed CA site of 3.0 ha taken from different corners.
- (iv) The State Govt may also clarify as to whether the proposal involves area under Khangchendzonga National Park, as the NBWL clearance submitted earlier mentions only Meanam Wildlife Sanctuary.
