- 7 Re-submission of proposal – EDS reply by the Chief Conservator of Forests, Dharmapuri Circle on 12.01.2019

* * *

Attention of the Chief Conservator of Forests is invited to the references cited.

In the Principal Chief Conservator of Forests letter 6th cited following shortcomings noticed on the proposal had been informed for rectification.

a) As per Government of India guidelines under Forest (Conservation) Act, 1980, if the forest area diversion is within one hectares and no felling of trees involved, Compensatory Afforestation may not be insisted.

However for the proposed diversion of 0.06 ha of forest land for non forestry purpose of Police Wireless VHF Repeater Station in Noolahalli-Reddihalli RF, the District Forest Officer has proposed compensatory afforestation scheme in twice the extent of land of degraded forest area in Noolahalli-Redihalli RF over an extent of 0.12 ha with an financial out lay of Rs. 2.32 lakhs.

The District Forest Officer has not uploaded detailed CA scheme for the project. As per Government of India guidelines if the Compensatory Afforestation scheme proposed, CA has to be carried out with 1000 seedlings per ha of diverted forest area with 7-10 years of maintenance.

b) However, the Chief Conservator of Forests has reported that, CA work may be insisted to an extent of 1.00 ha for monitoring purpose.

If the Chief Conservator of Forests has taken stand for implementation of CA scheme in one ha area, CA scheme for one ha has to be furnished with the project proposal, so that, CA scheme may be recommended and amount recovered from the User Agency.

c) Further, scanned copy of geo-referenced map of the proposed CA land in Noolahalli-Reddihalli RF has not been furnished by the District Forest Officer. Similarly, the DFO has not furnished copy of survey of India topo sheet indicating the boundary of forest land proposed for CA. along with GPS reading of the proposed CA plantation area. These details may be uploaded in the project proposal.

Without any rectification of above defects, the proposal has been resubmitted through online.

The Chief Conservator of Forests is requested to look into the matter and ensure that the shortcomings pointed out above may be rectified and the proposal may be resubmitted through online immediately.

Sd/- S. Yuvaraj,
For Principal Chief Conservator of Forests
(Head of Department)

To

The Chief Conservator of Forests, Dharmapuri Circle, Dharmapuri.

Copy to the District Forest Officer, Dharmapuri Division, Dharmapuri.
