2. The proposal received has been found incomplete. The following shortcomings has been noticed in the proposal which is to be completed. Proposal folders received are returned herewith. All the requisite documents may please be placed in the proposal folder with proper numbering and index.

- (1) The details of forest land & non-forest land placed at P.No.22 has not countersigned by DFO concerned.
- (2) The details of non-forest land placed at P.No.23-24 has not countersigned by DFO concerned.
- (3) The certificate of non availability issuing by DC concerned placed at P.No.25-27 of proposal folder has not been found uploaded against the column of additional information details in Part-1.
- (4) The enumeration list of trees placed at page No.35-51 in the proposal folder has not been signed by DFO concerned.
- (5) Against the column No.7 in part-II, the Approximate distance of the proposed project from boundary of forest (in km.) :0.5 has been mentioned, whereas in hard copy a certificate placed at P.No.72 of the folder the distance 0.750 kms has mentioned. Necessary correction is required to be made in online Part-II against the column No.7.
- (6) Placed at P.No.73 of the proposal folder no violation certificate has submitted by the user agency. But DFO concerned has mentioned against the column No11 (i) (c) in online Part-II, 0.6840 ha. area has already been broken. The necessary clarification be submitted in this regard. Hence there is contradiction in the statement of user agency & DFO concerned. Thus P.No. 73 is required to be removed in the proposal folder.
- (7) Photocopies of all the documents duly attested are required to be placed in the proposal folder.
