No. 5600 /5F.4/21 Dated. 31-12-21

To

The Superintending Engineer,
Angul Investigation Division,

Sub:- Proposal for diversion of 153.938 ha of forest land for construction of Kuktulsinga Irrigation Project by the Superintending Engineer, Angul Investigation Division.
Ref:- Memo No.8583 Dated 21.12.2021 of DFO, Athmallik Division.

Sir,

A discussion was made with you in Dhandatopa Range office in presence of the DFO, Athmallik Division wherein he appraised about non-availability of the pillars in the project area for which the site inspection could not be taken up and will be mentioned in the EDS to be raised by this office. This could not have been made as a compliance once submitted will lead to confusion at the higher authority about the intention of the User Agency not to take up the desired work as reported by the DFO earlier. Kindly take up the work as discussed and furnish proper compliance in the portal for better clarity of the higher authority so that a field visit will be made and report will be submitted for diversion of the forest land involved in this project.

Yours faithfully,

Regional Chief Conservator of Forests
Angul Circle

Memo No. 5601 /dated. 31-12-21

Copy forwarded to the Divisional Forest Officer, Athmallik Division for information and necessary action with reference to his Memo No.8581 Dt.21.12.2021. The Comp. Afforestation Scheme and catchment area treatment plan enclosed in the Diversion Proposal has not been prepared basing on the new one-time cost norm communicated by PCCF, Odisha as well as revised wage rate. He is requested to revise the above schemes accordingly. Hence the proposal received in your memo under reference is returned herewith for resubmission duly complying the above observations to this office for further action.
Encl: As above.
