

Diversion of 4.016 ha of forest land in favour of Ashapuri Hydro Powers Private Limited, Village Tharas, PO Hurla, Tehsil Bhunter, Distt Kullu, HP, for the construction of Hurla Top Small HEP (3.50 MW), within the jurisdiction of Parvati Forest Division distt Kullu, HP.

The following points are to be attended:

1. Against column No.M(i) & (ii) , the installed power generation capacity (in MW) and total command area of the Project has been mentioned. As per latest GoI observations pointed out in earlier submitted proposals, this column is not required to be filled in by the user agency and '0' is required to be mentioned against these columns.
2. FRA has now been uploaded against column No.K(i) hence undertaking uploaded against additional information detail is required to be deleted.
3. As per latest instructions of GoI dated 23.9.2019, the enumeration lists/ abstract of trees are required to be prepared as per detail given in online part-II according to girth class of the trees. The enumeration lists of trees according to girth class of trees duly signed by DFO concerned is required to be submitted for placing the same in the proposal folders.
4. In online part-I, although original FRA certificate alongwith all the proceedings have been uploaded against column No.K(i), but in hard copy of the proposal submitted, in both the proposal folders photocopy of FRA certificate alongwith proceedings have been placed. As per GoI instructions, in the first copy of the proposal folder which is to be submitted to GoI, the first copy of FRA certificate is required to be placed in original and all the proceedings of SDM level, District level and Village level committee, either should be original or duly attested by the issuing department are to be submitted/placed in the proposal folder.
5. In online part-I, in component-wise breakup, the total of 6 dumping sites is 0.278ha, but the detail of 6 dumping sites placed at P.No.71 of the proposal folder is not tallying with the total of dumping sites mentioned in component wise breakup.
6. Diversion has been proposed in reserve forest. As per GoI instructions any proposal for diversion in Reserve Forest should be very carefully examined and detailed justification after exhausting all alternatives for locating the project in this forest area should be given while forwarding the proposal.
