

Following shortcomings may be attended:-

1. If this project involve boundary of seven villages as mentioned in the list of villages to be benefited and village wise break up provided with the proposal then proceedings of village level committee (VLC) meeting pertaining to other villages may also be furnished with the FRA certificate. The FRA certificate uploaded in online Part I, only four VLC meeting proceedings are enclosed.
2. Employment generation detail furnished in online Part I seems inappropriate. The State Govt may review the data and correct data may fill in online Part I, if required.
3. The copy of MoU signed between user agency and the present owner of the land proposed for CA uploaded in online Part I at designated column is not opened. The State Govt may upload it again.
