PATNA (BIHAR)

Sub:- ROW Application

Subject: permission for laying of Optical Fiber Cable in different sections in 1 blocks of Kaimur Bhabhua District. Adhaura Block Length of 133000 MTR under the Bharat Net Project of BBNL under Digital India Campaign.

Dear Sir,

Bharat Broadband Network Limited (BBNL) A Govt. of india enterprise rolls out Optical Fiber Cable Network (BharatNet) to be owned and operated by Government of India. A highly resilient exclusive OFC based nationwide optical backbone for various Gram Panchayats to access networks shall be rolled out under this project on pan India Basis.

The work will be executed by Vindhya Telelinks Limited as per standards, policies and guidelines laid by you for laying the OFC Cable. We would like to intimate your office for laying network in exclusive corridors (i.e. wherever less utilities of other operators) to the extent possible to ensure safety of the network to be laid by us.

Since this project is part of "Digital India Campaign" which is implemented in "Mission Mode" to meet stringent timelines of Bharat Broadband Network Limited (BBNL) and any delay in network rollout activities may adversely affect Digital India Mission, you are requested to kindly cooperate for the same to ensure implementation of project in time bound manner.

Yours faithfully,

Authorized Signatory
