Sir,

Please refer to your office letter No. PW/GHD/CB/WA/Forest Case/2020/12506-07 dated 17.11.2020 on the subject cited above.

As already intimated vide this office letter No. 7242 dated 29.9.2020 that in proposal folders, a Fire line/Inspection path has been shown/mentioned as already constructed by Forest Department about 35 years ago having 3.630Km length with 3 to 3.5 mtr width. But as per old and new approved Working plans of this Division, no such fire line is exists. Further, the matter about existence of fire line has also been got re-checked through RO Ghumarwin who has reported that after meticulous scrutiny of official record of Range Office, Ghumarwin, there is no reference with regard to existence of Panyala to Tiun Khas fire line. Keeping in view of above, it is requested to kindly submit revised proposal so that further action is taken accordingly.

The proposal folders (4 Nos.) received your office memo under reference are returned herewith in original.

Encl: As above

Divisional Forest Officer,
Bilaspur Forest Division,
District Bilaspur, HP.
