2. The CA scheme is not correct; the CA scheme should be prepared by giving 10% annual increase. The financial outlay has been mentioned in Rupees at para 13(i)(i) of Part-I, whereas it should be mentioned in lacs. Further, as per the KML file it reveals that CA has been proposed over dense forests hence necessary correction/clarification be given and it must be mentioned in the land suitability certificate that proposed CA area is having less than 40% canopy density.

Though the name of Forest Division cannot be changed by this office Therefore, necessary e-mail has been send to nic, GoI for changing the division name. As and when the same is changed proposal may be submitted to this office after attending the above-mentioned observations.
