

**Construction of Bilkhet-Gairad-Bharu-Chophatta Motor Road Exection to Dhalan**  
**Motor Road (5.00Km) (2.97 ha)**

Following shortcomings still remain in the online reply dated 20/11/2017 of the State Government to EDS dated 24/06/2016 of this office which may be attended by the State Government:

1. In reply to point No.1, though the CA area has been mentioned to be revised but as per the Decision Support System analysis of the revised CA area, out of 5.94 ha area 2.00 ha area falls in MDF. Further the proposed CA area is overlapping with the area proposed for CA in online proposal No. FP/UK/ROAD/12710/2015, FP/UK/ROAD/15673/2015 and FP/UK/ROAD/15675/2015. The State Government may provide/upload revised digital map, SoI topohseet map and KML file as well as suitability certificate of the complete 05.94 ha CA area again after making the above change. Original hard copy of these revised maps may also be provided.
2. Hard copy of the proposal folder containing original or attested copies of the documents has not been provided, which may be furnished. The FRA certificate and the geo-referenced digital maps of proposed road and proposed CA area should be in original.
