8. Most of the documents (Undertakings, Components wise breakup, Details of Forest Area etc.) are not duly authenticated by DFO concerned. Same may be reviewed and uploaded on the PARIVESH portal.
9. Name of the proposal is not mentioned in beneficiary village certificate. Same may be reviewed and rectified accordingly.

11. No Muck Management Plan has been submitted with the proposal. Therefore, the State Government may clarify where the Muck produced as a result of extraction would be disposed off. Also, User Agency may provide an undertaking that no muck will be dumped in the forest land in the present or in the future.
12. In the component wise breakup "open area" has been mentioned, however it is not marked in the Layout plan. Also, State Govt may justify the requirement of the "open area".
