The reply has been examined and observed that the following documents/ information are still required to be uploaded online for further processing:

- i. It is reported that employment likely to be generated is 3500 (temporary). But the same is not uploaded in Parivesh portal.
- ii. Copy of certificate regarding initiation of FRA certificate is not uploaded.
- iii. In the instant proposal 314 nos of trees including poles are proposed for felling. As per guidelines, 3140 no of sapling/ seedlings plantation scheme need to be submitted/ uploaded as CA scheme.
