पत्र सं० 8बी/एच.पी./06/97/2020/एफ.सी. 1107

दिनांक: 16/12/2020

सेवा में,

नोडल अधिकारी एवं मुख्य वन संरक्षक (एफ.सी.ए.)
हिमाचल प्रदेश सरकार,
वन विभाग, टालैंड, शिमला।

विषय : Diversion of 3.01 ha of forest land in favour of HPPWD for the construction of link road Fagla to Banoi from Km 0/0 to Km 5/500, within the jurisdiction of Dalhousie Forest Division, Distt. Chamba, Himachal Pradesh. (Online no. FP/HP/Road/27143/2017)

संदर्भ: ऑनलाईन प्रस्ताव सं० FP/HP/Road/27143/2017

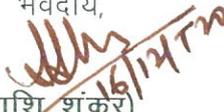

महोदय,

उपरोक्त विषयान्तर्गत सन्दर्भित पत्र का आशय ग्रहण करते हुए मुझे आपको यह सूचित करने का निर्देश हुआ है कि प्रस्ताव पर ध्यानपूर्वक परीक्षण करने के उपरांत कमियां पाई गयी है जिन पर निम्नानुसार कारवाई अपेक्षित है:-

1. State Govt. may submit the clear copy of geo-referenced map of proposed diversion area and upload the same at para C (iv) in online Part-I.
2. State Govt. may review the detail on para E (ii) which in general should be 'NIL' for such cases; Further user agency must explain how permanent employment can be generated? Does the project cost account for such perennial employment?
3. The State govt. may mark the location of villages proposed to be benefited by this road on KML file alongwith the existing road network.
4. The area is within 10 km of nearest Protected Areas. So, the information may be amended at Para 8 (iii) online Part-II and the state govt. may submit the comments of CWLW for requirement of animal passage plan, if any.
5. At para 14 online Part-II against total diversion of 394.456 ha, only 401.33 ha area is developed as CA. The state govt. may give the reason of poor progress of CA because in general it should be double of the area diverted. The state govt. may provide the total non forest land (NFL) and degraded forest land (DFL) of CA expected and achieved in context to the district.
6. There is no alternate alignment explored by the state govt. while possibility is seen in the KML to avoid density vegetated area. Hence, the state govt. may examine the alternate alignment to reduce the felling.
7. The state govt. may correct the scientific name of trees mentioned in enumeration list in online portal.
8. The muck generated in the project is proposed for being dumped in the forest area for which state govt. may identify the non-forest land. The reasons for not selecting NFL for dumping may provide in detail dully authenticated by DFO.

कृपया उपरोक्त बिंदुओं पर वांछित कारवाई करा प्रतिवेन प्रस्तुत करने का कष्ट करें ताकि प्रकरण में अग्रिम कार्यवाही की जा सके।

भवदीय,

(शशि शंकर)

सहायक महानिरीक्षक (वन)
