FP/UK/ROAD/8888/2014

सन्दर्भ:- भारत सरकार पर्यावरण, वन एवं जलवायु परिवर्तन मन्त्रालय, क्षेत्रीय कार्यालय, देहरादून के EDS
दिनांक 26-11-2018

महोदय,

Reply of this office EDS dated 26-11-2018 uploaded online by CF on
14-12-2018 was examined. In this regard, I am directed to inform that the State Govt.
may attend the shortcoming as mentioned below.

1. In place of CA KML file, alignment KML file has been uploaded in Form A, part I.
2. Date has not been mentioned in SDFC online Part I. Blank V.I.C found uploaded date is not mentioned is DFCL and V.I.C.
3. Shape of KML file and digital map of CA not matching.
4. Following Documents have not been found uploaded in web portal
a-CA scheme
b- Joint inspection report.
c-CA site suitability
d-Undertaking to bear CA cost
e-Alternative examined
5. Digital map of proposal road and CA and alternative examined not submitted in hard copy.
6. Bar chart is not C/S by DFO.
7. From the KML file of the area proposed for diversion it is seen that not even a single household is benefitted, beside there are already two existing roads running parallel to the proposed alignment, hence there does not appear to be any justification for the road.
8. NPV is calculated for eco-class VI while it appears to fall under class V as per enumeration list
9. Entire proposal is submitted in photocopy instead of original.
10. Part I and II of the proposal as per the FCA guidelines is required to be submitted in original.
