Sir,

After careful examination of the above mentioned proposal on Parivesh portal, some variation found by the Conservator of Forests East Circle Jammu that are pertaining to you.

1. The area mentioned earlier was 0.62 Ha., but during joint inspection it came to 0.54 ha., which needs to be rectified both on Form A Part -I and in layout plan. Dumping site mentioned in the layout plan, KMZ file and in Geo-reference map needs to be rectified as certificate for excavated material to be used for refilling was made by you.
2. Enclose FRA letter issued by Deputy Commissioner Samba.

In this context, you are once again requested to rectify and upload correct details in Parivesh Portal.

Yours faithfully
