**Ref: 1. Proposal Id No.FP/DL/RAIL/49562/2020.**

Sir,

In reference to the above mentioned Proposal received on the PARIVESH Portal at the level of the North Forest Division, it is informed that the site inspection of the non-forest land proposed for Compensatory Afforestation at Dhulsiras Village, Dwarka has been done by the officials of North Forest Division on 20.12.2021. But Officials from DMRC were not present during the inspection of the CA site. During the inspection of the CA site, it has been found that the area is under the active agriculture and Farming. It has also been found that the Compensatory Afforestation land is not clearly demarcated on the ground as per the forest area proposed for diversion in the above mentioned proposal.

Therefore, the User Agency must ensure that the land proposed for Compensatory Afforestation should be properly demarcated on the ground. User Agency also ensures that the CA land should be free from any encroachment and litigation, before it will be handed over to the Department of Forest and Wildlife for Compensatory Afforestation.

Yours faithfully,

  
Dy. Conservator of Forests (North)
