Sub: Proposal for diversion of 2.28 ha of forest land for drilling location KHDE under Golaghat Division in favour of Oil & Natural Gas Corporation Ltd., Jorhat.

Ref: (i) Letter No. FRS.120/2018/131 dated 15.07.2021 of Govt of Assam.
(ii) Letter No. 3-AS B 046/2018-SHI/2835-36 dated 05.11.2018 of Regional Office, Shillong.
(iii) Letter No. 3-AS B 046/2018-SHI/302-03 dated 15.07.2021 of Integrated Regional Office, Shillong.

Sir,

With reference to the subject and letter cited above, I am to inform that State Govt letter under reference (i) above has been examined in this office but found incomplete. The letter on the incomplete information could not be issued on time due to oversight by the newly recruited staff (contractual) for which any inconvenience caused, is regretted.

State Govt is requested to kindly furnish the following information as found lacking in the submitted letter under reference (i) above for further processing of this proposal: -

(i) The total proposed area of the submitted shape file is 2.24 ha as an area of 0.04 ha is overlapping between the area proposed for safety zone(0.41ha) and approach road (0.18 ha). However the proposed area is for 2.28 ha and not 2.24 ha with proposed component wise break up of 1.69 ha drill site, 0.18 ha approach road and 0.41 ha safety zone.

The reply of the user agency for ignoring this overlapping area (0.04 ha) is not acceptable. State Govt is therefore to furnish the corrected shape file of 2.28 ha as proposed with exact component wise break up i.e. 1.69 ha drill site, 0.18 ha as approach road and 0.41 ha as safety zone as sought by the RO, Shillong letter under reference (ii) above.

(ii) The technically approved and duly signed compensatory afforestation scheme by the competent authority is to be submitted mentioning the proposed alternate CA site with its GPS coordinates as the earlier submitted CA scheme was for the unaccepted CA site.

- Ref: (i) Letter No. 3-AS B 046/2018-SHI/1405-06 dated 03.11.2021 of Integrated Regional Office, Guwahati.
(ii) Letter No. FRS.120/2018/131 dated 15.07.2021 of State Govt of Arunachal Pradesh.

Sir,

In continuation to his office letter under reference (i) above, I am to inform that as per the DSS report received from FSI, Dehradun the proposed alternate CA site as submitted by the State Govt letter under reference (ii) above is falling under moderately dense forest. State Govt is to conduct a site visit by an officer not below the rank of Conservator of Forests (T) and report be submitted to IRO, Guwahati mentioning the vegetation, density of forest cover, photographs taken along with the inspected officer etc, or else, an alternate CA site along with necessary Sol maps indicating the CA site, GPS coordinates, site suitability certificate etc, is to be submitted for further processing of this proposal.
