1. It is observed that the actual area of diversion is 4.633 ha instead of the proposed 4.59 ha, as the area for mining is 4.59 ha including safety zone and the area for approach road is 0.0436 ha. Therefore, correct KML file of 4.633 ha shall be uploaded showing Diversion area, safety zone area approach road and accordingly necessary corrections in online Part I and II are also required to be done.
2. In view of the change in area proposed for diversion, the non forest CA area is also required to be provided for 4.633 ha, hence accordingly the plantation scheme along with other related documents such as maps, CA KML file of 4.633 ha proposed on non forest land shall be submitted/uploaded.
3. Due to non-suitability of non forest land for planting trees @ 1000 trees per hectare, the degraded forest land of 12.50 ha (out of 15.00 ha) has been proposed to plant balance number of seedlings for the said proposal. The State Govt may provide/upload the maps, KML etc for the same in online portal.
4. The Lol uploaded in online portal was issued in the year 2021, whose validity was only for 6 months which has already lapsed. Accordingly, a fresh Lol or allotment order shall be submitted/uploaded.
5. In compliance of the guidelines in the Handbook of FCA 1980, whenever a proposal for fresh mining is submitted, a brief profile of the lessee/company should be submitted giving details of their existing mining leases in the State with their capacity of production, the present level of average annual production, location of these pits and the status of reclamation of forest land that have exhausted minerals. Along with the same, the State Government shall also submit details of all other mining leases for that particular mineral with their capacity and average annual production and projected future requirements. They should fully justify the necessity of opening new mining leases for that particular mineral.
6. The State Government may confirm that the proposed mining conforms to the DSR of the concerned districts (as per EMSMG-2020 of SGMG-2016) issued by Competent Authority.

उपरोक्त जानकारी प्राप्त होने के पश्चात ही प्रस्ताव में आगामी कार्यवाही की जायेगी ।
