

Danoghat sanjha aara Neri Plata (3.8423 ha)

Following shortcomings may be attended by State Government:

1. Short narrative of the project uploaded at para-A-1 (iii) does not give adequate information of the project.
2. The details in online Part-I regarding alternative alignment explored is not provided in column D (ii).
3. The name of village mentioned in village wise breakup in online B 2.3 Part-I is Neri Plata, while the village level committee (VLC) meeting proceedings are provided for villages (Gram Sabhas) Neri Dyawada, Ser Galotiya, Gahdda and Plata with the FRA certificate. May check and correct the village wise breakup at B 2.3.
4. FRA certificate uploaded at K Part I online is undated however the date mentioned in the hard copy placed in the proposed folder, which may be uploaded in online Part-I.
5. Chief Secretary certificate regarding non availability of non forest land for CA though provided with hard copy of the proposal, the same may be uploaded as addl. Document in Part-II.
6. The NPV calculation is not uploaded in online Part-II as an addl. document.
7. Original/attested copies of the proceedings of sub-divisional level committee and village level committee meeting may be provided for record.
8. Approximate distance of the site proposed for diversion is mentioned as 0.00 km at para-7 of Part-II online which does not appear to be correct. May provide distance of the proposed site, towards inside, from the boundary of forest.
9. An area of 3.8423 ha is proposed to be diverted for this road as per information submitted in online performa and also at p-23 & 24 of hard copy of the proposal. However, in the checklist sr. No. -10 attached in the hard copy at p-29-30, the requirement of forest land for this road is mentioned as 4.8423 ha, this contradiction may be clarified.
10. Administrative Approval and Financial Sanction of the competent authority of the User department for construction of this road is not provided/uploaded as additional document in Part I which may be provided/uploaded.
11. Shape of area proposed for CA given in geo-referenced digital map at column 13 (iii) Part-II online is not matching with the shape of CA area given in KML file uploaded online at column-13 (i) Part-II.
12. Site suitability certificate for the area proposed for CA is not uploaded online in Part-II.
13. Digital map of the road at p-18 & 19 and that of CA area at p-46 of the hard copy of the proposal is not signed by the DFO.
14. As per Decision Support System (DSS) Analysis the area of CA shown in KML file in Part II shows the extent of area as 10.04 ha instead of 7.6846 ha area proposed for CA. May upload KML file again showing the correct extent of area proposed for CA.
